### [Innovation Capacity | SpringerLink](#)

Literature Review on Innovation Strategies One of the most fundamental choices firms face concerns whether to innovate or not. If the firm decide to innovate (and there are good reasons to do so, as discussed briefly in introduction), then the firm faces several choices on what type and/or what combination of types of innovation should introduce? This choice constitutes the choice of firm ...

### [Organization Design | Organization | McKinsey & Company](#)

Does your business want to do the business the way it has always done. Or is it open to change. For example, a company that has always done the 'brick-and-mortar' business may lose out if the trend is changing to a mix of online business with in-store trading. If the top management is not open to change, it will percolate down the hierarchy. And innovative ideas won't come up.
