[The Death of Gentlemanly Capitalism: The Decline and Fall...](#)

The Death of Gentlemanly Capitalism is a sad tale of British arrogance and complacency to rank with anything our motor industry can throw up. It's also a page-turning, stranger-than-fiction read, packed with larger than life characters, scandal, corruption and incompetence. Go to City boardrooms today--no longer in the Square Mile, but perched on the upper floors of Canary Wharf, and the ...

The UK's investment banks were brought down by a combination of external forces and self-inflicted wounds, The trend to globalism and scale and the power of the Americans set a formidable challenge to the City. Its failure to respond effectively was due to negligence born out of a cultural system that inhibited good management and to the existence of a vacuum where the authorities should have ...

that returns on investment were the focus, not development. Rather than identifying the concern for imperial security or financial solvency in isolation from one another, this theory explains imperial action as a result of the confluence of the elite constituencies in contemporary British policy. Applied to Egypt, the theory is successful in showing that one does not need to give precedence to ...
