Hip-Hop CultureHip-hop culture has always had a complex relationship with race. From its inception, the relationship between hip-hop and race has been fragmented, decentralized, and, in many ways, fluid. Hip-hop emerged in the Bronx, New York, in the early 1970s. The economic environment that catalyzed its development reflected the negative effects of a postindustrial society and a rapidly ...

Marriage, Family, and Kinship Marriage. People typically married before age twenty. Unmarried women over twenty were considered spinsters, and bachelors in their late twenties were subjected to public censure and mockery. Both men and women expect to marry, have children, and have only one spouse for a lifetime. Marriage has always been viewed as a holy responsibility, and it is commonly ...

Culture is a notoriously difficult term to define. In 1952, the American anthropologists, Kroeber and Kluckhohn, critically reviewed concepts and definitions of culture, and compiled a list of 164 different definitions. Apte (1994: 2001), writing in the ten-volume Encyclopedia of Language and Linguistics, summarized the problem as follows: Despite a century of efforts to define culture ...
