Alice Miller's "Thou Shalt Not Be Aware" is rich with simple, universal and liberating truths about the child's experience of childhood and gives us permission to feel however we feel about our own. I'm so glad I read this before having kids. Try not to be daunted by the psychoanalytical jargon peppered throughout the book. The insights are ...

In Thou Shalt Not Be Aware, Alice Miller turns Freud's oedipal complex on its head by exposing the circumstances that led Freud to side against his patients, and thus, against the truth of the life experiences of children. It is a great work by a highly regarded psychiatrist and thinker, well researched, and readily useful in applying to one's own life. For myself, this book (along with The ...
